

Trump and Turnbull: No war on the Middle East!

When: Sunday 23 April 2017

Time: 1:30pm to 3:30pm

Where: 53 Martin Place (above Martin Place railway station), Sydney

The US are ramping up their aggression against Syria and our own government in Australia have been committing gross war crimes against the Syrian people. Meanwhile, the Australian government are selling weapons to Saudi Arabia so that they can give them to Wahhabi groups in Syria and drop endless bombs on the Yemeni people and the Yemeni resistance. And Turnbull makes no apologies for giving millions of taxpayers dollars to the Zionist state committing war crimes against the Palestinian people and gaming for the destruction of Syria.

Oppose imperialism now and oppose imperialism at the top of your lungs! Bring your flags and show your pride!
